I wish to join Marlborough Running Club. I enclose my first year's subscription of £15 (plus EA fee of £15 if appropriate).

I declare that I am an amateur as defined by UK athletics governing bodies.

I understand that the bulk of the club's income is generated by the races it organises, and that the club hopes that every member will give up some of their time each year to help marshal or organise at least one, preferably two or more, of these races.

I have read the Medical Conditions and Privacy notices below. I understand that the records provided here will be held by the club for the purpose of communication, and supplied to England Athletics where registration is requested.

Medical conditions

Unfortunately we are not in a position to give specific medical advice. If you are unsure about whether or not you should participate in our club runs because you are concerned about your health or because you have a medical condition, you should consult a doctor or medical professional.

If you are very overweight or over 40 and haven't exercised for some time, you are also advised to consult a doctor or medical professional before starting running. If you join and run with Marlborough Running Club you declare that you are medically fit to do so and that you will not hold the Club responsible for any incident occurring through a personal medical condition or injury.

If you have a medical condition we ask you to take appropriate precautions when running, such as carrying with you the relevant details of the condition and your name, address and emergency phone number contact details.
